

Amare Triangle of Health™

Wellness from
Sunrise to Sunset

What It Is

The Amare Triangle of Health™ Pack is Amare's foundational day-to-night wellness system—three products designed with ingredients that provide essential supplementation to support your overall health and wellness at the cellular level. Featuring our best-selling trio: Amare Sunrise™, Amare Sunset™, and Amare Nitro Xtreme™ or Amare Nitro FX®.*

Caffeine Free

Why You Need It

Wellness isn't one thing--it's everything. Your energy, your heart health, your immune system, your physical wellness . . . it's all connected. Because life pulls you in a hundred directions, your body needs a system that works together.

How It Works

Each product in the Triangle of Health plays a key role and works together as a system.

Amare Sunrise - features 22 plant-based superfoods that deliver powerful antioxidants, vitamins, and minerals to support cellular health from the inside out.*

Amare Sunset - is formulated with wild-sourced Omega-3 fatty acids, Tocotrienols (a very potent form of Vitamin E) and Astaxanthin to support a healthy brain and heart, while also supporting natural cellular repair.*

Amare Nitro FX and Amare Nitro Xtreme - feature Noni Fruit to support nitric oxide production in the body, optimizing nutrient metabolism, supporting healthy blood flow, and enhancing physical wellness.*

The Science

Approximately 90% of people have nutritional gaps in their daily diet. That means that many of us aren't getting all the vitamins, minerals, amino acids and other micronutrients we need to be our best. The Triangle of Health Pack is a comprehensive day-to-night system formulated with key ingredients that help fill nutrient gaps and support your body at the cellular level throughout the day.*

How To Use It

We're committed to making wellness as simple, easy—and delicious for you to as possible, so you can stick with it. That's why The Triangle of Health is designed to fit seamlessly into your routine—day-to-night.

Amare Sunrise comes in a convenient, single-serve pouch. Enjoy one pouch every morning with breakfast to start the day off right. Enjoy it on its own, or mix into yogurt, a smoothie, juice or water.

Next, you can choose between Amare Nitro FX and Amare Nitro Xtreme. Use 1 ml (approximately 25 drops) of either formula up to three times daily. For maximum absorption, place under the tongue for 20 seconds.

Then, at day's end, it's time for Amare Sunset. Take three soft gels daily with your evening meal.
