

VitaGBX®

A Multivitamin for
Multi-Benefits.

What It Is

A daily, comprehensive multivitamin that combines more than 50 vitamins, minerals, amino acids, and phytonutrients to support a well-balanced body and mind.*

Why You Need It

Taking care of yourself shouldn't feel like guesswork. Even with the best intentions and a balanced diet, it's hard to get everything your body needs, especially when life gets busy.

How It Works

Formulated with bioavailable ingredients for ease of absorption, the comprehensive blend in VitaGBX delivers 50+ vitamins, minerals, amino acids and phytonutrients to help fill nutrient gaps when your diet falls short.*

- **Vitamin A** supports general eye health.*

- **Vitamin B12** supports natural cellular energy and normal functioning of the brain and nervous system.*
- **Vitamin C** supports a healthy immune system.*
- **Vitamin D** helps maintain bone health and supports muscle function*
- **Vitamin E** provides antioxidant support to fight free radicals.*
- **Zinc** is an essential mineral that plays a role in immune function and protein synthesis.*
- **Selenium** supports antioxidant protection in the body, helping to neutralize free radicals and support healthy immune systems and thyroid function.*

The Science

There are lots of multivitamins to choose from, but we took a modern approach to help simplify your supplement routine, with one formula that does more. Designed with the proper, necessary amounts of each nutrient and we thoughtfully formulated with the right balance to supplement gaps in the average daily diet.*

How to Use:

- Take twice per day – 2 capsules with 8-oz of water at breakfast, and an additional 2 capsules with 8-oz of water at dinner.
- Do not exceed 4 capsules per day.
