

Amare GBX Flow™

Focused Flow,
Daily Support

What It Is

Amare has developed GBX Flow™, an advanced product composed of a unique proprietary blend of key ingredients shown to provide a source of antioxidants that helps to protect cells against the oxidative damage caused by free radicals.

Why You Need It

Help protect your body from oxidative stress with daily antioxidant support designed for health and performance.

How It Works

Provides antioxidants to help reduce oxidative damage caused by free radicals.

The Science

GBX Flow delivers powerful antioxidant support to help combat oxidative damage and protect cells from the damaging effects of free radicals.

How To Use It

Adults 18 years and older:

- Take one capsule in the morning with one cup (8 oz) of water.
- Consult a health care practitioner for use beyond 3 months
