

Amare GBX Sync™

Daily Foundation
for Health

What It Is

Amare GBX Sync is a comprehensive formula featuring antioxidants, vitamin C and other immune-supporting ingredients for good health and vitality.

Why You Need It

Support immune function, antioxidant protection, and overall wellness with a daily supplement designed to help maintain good health.

How It Works

- Provides antioxidants to help protect cells from damage caused by free radicals
- Helps in wound healing and to maintain immune function
- Supports collagen formation for healthy bones, cartilage, teeth and gums.

The Science

GBX Sync delivers broad-spectrum daily support with ingredients that contribute to connective tissue formation and immune health. This formula is designed to be a foundation of your wellness routine, increasing vigour during times of mental or physical stress.

How to Use

Adults 18 years and older:

- Take 2 capsules in both the morning and evening with a cup of water.
- Take with food, a few hours before or after taking other medications or natural health products.
- Use for at least 2 weeks to see beneficial effects
- Consult a health care practitioner for use beyond 12 weeks
