

# Amare Happy Juice® Jumpstart 15-Day Intro Pack

Gut-Nourishing Probiotics Meet Brain Fueling Nootropics

## What It Is

A 15-day introductory trial of our best-selling, easy-to-mix drink – formulated with probiotics, prebiotics, phytobiotics, and plant-based nootropics to help support gut health, stress resilience, and motivation.\*

This one-time trial includes 15 Amare EDGE+™ stick packs (8 Watermelon, 7 Grape) plus 15 MentaBiotics® stick packs, offering a curated preview of the full 30-day experience. Amare EDGE+™ Mango is offered as an additional flavor option in the full 30-day lineup but is not included in this trial.

## Why You Need It

Amare Happy Juice is designed for those moments when you want to feel less “blah” and more on top of your game. Delicious, easy and convenient, this daily drink contains ingredients that address low motivation, lack of focus, and poor concentration that can take over your day.\*

## How It Works

Amare EDGE+™ is designed with , Lychee Fruit, Palm Fruit and Lion’s Mane.

- **Mango Leaf** - a sustainably sourced, botanical powerhouse that’s packed with beneficial compounds and a variety of bioactive nutrients to help support motivation and mental flow.\*
- **Lychee Fruit** - naturally sweet and nutrient-dense, this tropical fruit is a rich source of bioavailable polyphenols—powerful plant compounds that help support endurance for both body and mind.\*
- **Palm Fruit Bioactives Complex** - sourced exclusively from sustainably harvested Palm Fruit, is high in unique water-soluble and supports neuron health.\*
- **Lion’s Mane** - used in traditional Chinese and Asian cultures for centuries and helps to support a healthy memory\*

MentaBiotics® combines clinically validated probiotics, prebiotics and phytobiotics to support mental wellness through the gut-brain axis.\*

- **MW3® Probiotic Proprietary Blend** - with three unique strains of probiotics that help the body manage everyday stress more efficiently, support healthy cortisol levels and promote a healthy mood balance\*
- **MW3® Prebiotic Proprietary Blend** - combines three prebiotics fibers for gut nourishment supporting a thriving, and diverse microbiome.\*
- **Phytobiotics** - also known as phytonutrients, help protect the microbiome and support the gut-brain axis.\*

## The Science

Approximately 90% of your serotonin is produced in your gut. When your gut is balanced and thriving, it sends signals to the brain that help support mood, mental clarity, and stress resilience. Formulated for the gut-brain axis, Amare Happy Juice combines the gut-nourishing ingredients of MentaBiotics, with the brain fueling ingredients of Amare EDGE+ to help you feel your best from the inside out.\*

## How to Mix Your Happy Juice

- Step 1: One stick pack of MentaBiotics + one stick pack of Amare EDGE+
- Step 2: Mix with 16-20 oz of water. Customize to your taste!
- Step 3: Enjoy!
