

Amare Relief+™

Your Daily Dose
of Relief

What It Is

A powerful herbal and antioxidant formula that helps to relieve minor pain and inflammation, supports digestion and promotes peripheral circulation.

Why You Need It

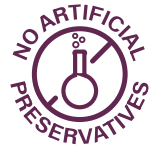

Relief+ helps to temporarily relieve knee pain while aiding digestion and peripheral circulation.

How It Works

- Stem bromelain is used in herbal medicine to help relieve minor pain, swelling and inflammation.
- Cayenne is traditionally used in herbal medicine to aid digestion and help support peripheral circulation.
- Provides antioxidants that help to protect against the cell damage caused by free radicals.

The Science

Relief+ combines time-tested herbal remedies with modern nutritional support to help your body feel and function at its best. Stem bromelain helps to relieve minor pain and inflammation, while cayenne pepper supports digestion and peripheral circulation. Plus, antioxidants provide cellular protection against oxidative damage caused by free radicals, making Relief+ a smart addition to your daily routine.

How To Use It

- Once daily, take 1-3 capsules as needed with 8 oz. of water.
- Consult a health care practitioner for use beyond 12 weeks.
- Store in a cool, dry place.
