

Amare Happy Juice®

Amare EDGE+™ Mango Glow + MentaBiotics®

What It Is

An easy-to-mix drink that blends cutting-edge probiotics, prebiotics, phytobiotics, and plant-based nootropics to support gut health, stress resilience, and motivation.*

Why You Need It

Amare Happy Juice® is designed for those moments when you want to feel less "blah" and more on top of your game. Delicious, easy and convenient, this daily drink contains ingredients that address low motivation, lack of focus, and poor concentration that can take over your day.*

The Science

Approximately 90% of your serotonin is produced in your gut. When your gut is balanced and thriving, it sends signals to the brain that help support mood, mental clarity, and stress resilience. Formulated for the gut-brain axis, Amare Happy Juice combines the gut-nourishing ingredients of MentaBiotics with the brain-fueling ingredients of Amare EDGE+ to help you feel your best from the inside out.*

How to Mix Your Happy

1. One stick pack of MentaBiotics + One stick pack of Amare EDGE+
2. Mix with 16–20 oz of water. Customize to your taste!
3. Enjoy!

How It Works

Amare EDGE+™ Mango Glow

Designed with plant-based nootropics including Nutricog®, a patented blend of Boswellia and Haritaki, plus Mango Leaf, Lion's Mane, Citicoline and Natural Caffeine.*

- **Nutricog®** supports multiple areas of cognitive function, including focus, attention, learning, working memory, delayed recall and immediate recall.*
- **Mango Leaf** is a sustainably sourced botanical powerhouse, packed with beneficial compounds and a variety of bioactive nutrients to help support motivation and mental flow.*
- **Lion's Mane** has been used in traditional Chinese and Asian cultures for centuries and helps to support neuron health and memory.*
- **Citicoline** is a precursor to neurotransmitters.*
- **Natural Caffeine** from green coffee beans supports body and mind energy.*

MentaBiotics®

Combines clinically validated probiotics with prebiotics and phytobiotics to support mental wellness through the gut-brain axis.*

- **MW3® Probiotic Proprietary Blend** is a blend of three probiotic strains, *Lactobacillus helveticus* R0052, *Bifidobacterium longum* R0175, and *Lactobacillus rhamnosus* R0011, also known as Cerebiome®, to support mental wellness by promoting a healthy mood balance and reducing occasional stress.*
- **MW3® Prebiotic Proprietary Blend** combines three prebiotic fibers for gut nourishment, supporting a thriving and diverse microbiome.*
- **Phytobiotics**, also known as phytonutrients, help protect the microbiome and support the gut-brain axis.*
